ELECTRIC VEHICLE CHARGING POINTS

NRS boasts six Pod Point electric vehicle chargers are available in the main car park for staff and visitor use
only. Please note: these charging stations are not available for the public and are therefore not visible on the
Pod Point application, unless you have already been approved to use them.

Instructions on use
Send an email with the subject line EV Registration to joanna.mcgrath@forestresearch.gov.uk or
dawn.coetzer@forestresearch.gov.uk with your full name and email address, these must match with the details
you will use to create your Pod Point account in the App.

1. You will receive an email confirming your registration.
2. Download & log into the Pod Point App, you will see the chargers available.
3. The names displayed on the App and the Pod Point chargers will correspond with each other.
4. Pay with your debit/credit card through the app.

CHARGEABLE RATE: *34p per kWh.*

Please note: *on one of the chargers, you will see instructions to tap a card to confirm charging point, this is
not in use. You only need to select A or B in the App.*
