## 27th session

### Post-Study Tour in Italy

Field visits (27-29 October 2024)

Transfer from Bordeaux to Italy (Venice, Verona, Bergamo Bologna airport)

#### **Saturday 26 October**

Welcoming participants at Verona airport and/or train station in the late afternoon and transfer to the hotel near Rovigo.

#### **Sunday 27 October**

**Ceregnano (RO):** Visit to experimental plantations with comparison of poplar and paulownia clones.

#### **Monday 28 October**

**Masi (PD): Agroforestry with poplar clones - experiences and results.**

**Villa Bartolomea (VR):** Polycyclic and polyspecific plantations (poplar, oak, walnut etc. with shrubs): experiences and results

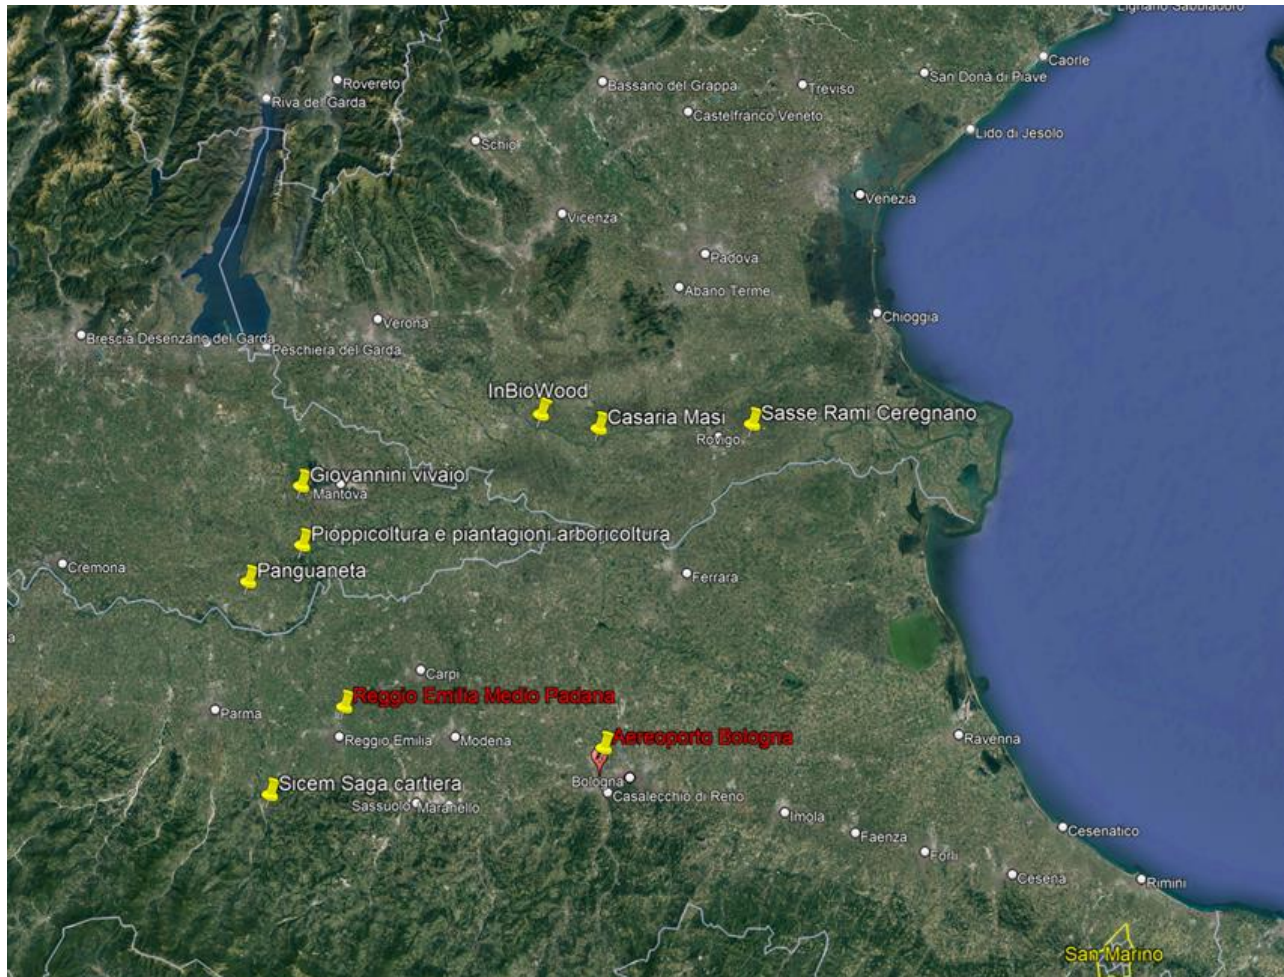

**Mantova:** visit of the city and dinner based on local dishes.

#### **Tuesday 29 October**

**Torre d'Olio (MN):** Poplar plantations conducted according to FSC and PEFC schemes.

**Sabbioneta (MN):** Plywood processing industries

**Reggio Emilia:** Transfer to the high-speed train station

## NOTE

The transfer from Bordeaux to Verona (train station or airport) will be autonomously booked and paid for by each participant. The participation in the Tour (from Verona, 26 October, to Reggio Emilia, 29 October) is expected to cost max €400; such amount may be subject to changes depending on the number of participants.

For this reason, participants should register for the Study Tour in Italy by the end of May; this will allow to define the exact the cost of participation, to be paid by the end of June.
